## Notes

- Names are those most commonly used and recorded in documentation at the time of the tragedy.
- AS = Perished on *Arandora Star* (150); Dun = Rescued and sent to Australia on *Dunera* (250); UK = Rescued, hospitalised and then interned UK (70).
- German occupation of various countries and regions often made the identification of the true country of birth and/or nationality difficult.
- Last known UK residence prior to internment or place of capture.
